

Educational field tour To Devidarkh Mandi (H.P.)

One day Educational cum cleanliness drive to Devidarkh is being organised by **ECO CLUB, VGC** 1 Oct 2019 for the students of VGC Eco-club.

Total students were 104, accompanied by four teachers, namely Dr Tara, Dr Ved Prakash, Dr Samriti and Librarian Ms. Sudesh and 1 L.A. Ms. Lakshmi Devi. The place Devidarkh is around 54 km away from Mandi, on the Mandi - Chail chawk Jhel - Devidarkh District highway, amidst the lovely mountain range foothills of Shikari Devi Sanctuary. Its altitude is 2275 mt from sea level with temperate climate zone.

Forest Research Division, Sundernagar has developed a nursery for medicinal plants for trials and demonstrative-cum Green Plasm Bank. It was established in the year 2014-15 in an area of about 0.5 Hac. Some of the medicinal plants present there were, Aconitum heterophyllum, Anislaea apta, Angelica glauca, Aurebia benthamii, Sueritia chirayita, Gentiana kurro, Selinum vaginatum are few to mention.

{ Celebration of environment and Wildlife film festival. }

A film festival on environment and wildlife was organised by HIMCOSTA in collaboration with Eco-club of V.G.C Mandi on date 20th - December - 2019.

Mr. Divakar Yadav (programme Executive) Sanjeev Thakur (Distt. Science Supervisor), Akshita Sharma (Project Associate, Eco-club, HIMCOSTA Shimla) Narender Yadav (Director of CMSR Foundation New Delhi) many TGT, PGT teachers, students from various schools, and students of V.G.C Mandi have attended this programme.

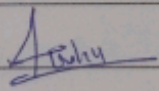

The programme executive make students aware about the ideas of water saving and no use of plastic bags by showing them animations and videos. Also they had shown the origin of Ganga (Gangotri) and Yamuna (Yamnotri).
