

Web OPAC - Library's online catalogue

The library uses the **Library Management Software - 'SOUL 3.0'** developed by **INFLIBNET, Ahmedabad**. Majority of books in the library have been bar-coded and circulation activities are managed through the software. All students are issued bar-coded library cards at the beginning of the academic year. The Online Public Access Catalogue (OPAC) can be accessed in the college library through the intranet. It can be accessed online through the internet by following the link [SOUL WebOPAC](#). *Access to WebOPAC is available 24 X 7. If you are using your mobile phones to access WebOPAC, please use the above link.*

Users can search the books in the library's collection through WebOPAC. The books can be searched by 'Title', 'Author', etc through the tab '**Search Books**'. Simple Search and Boolean Search options are available for searching. Students can also check the books that they have borrowed through the '**Member Status**' tab available through the WebOPAC. They should use their Control ID in the '**Enter Member Code**' field to access this information.
